

HALF-DAY INTENSIVE SEX THERAPY SUPERVISION GROUP

Limited to 6 Supervisees

Erika Pluhar

PhD, EdS, LMFT, LPC,
CST-S, ACS

Chris DeVinney

LPC, CST (SIT)

Join Chris DeVinney, LPC, CST (SIT), and Erika Pluhar, PhD, EdS, LMFT, LPC, CST-S, ACS for a small-group supervision experience designed specifically for therapists working in or moving toward sex therapy practice.

This three-hour standalone group offers a rich blend of case consultation, practice development, sex therapy ethics, and person of the therapist work — all within a supportive peer community capped at six participants to ensure meaningful engagement and individualized attention.

Whether you are navigating a complex clinical presentation, working through an ethical question, or deepening your own self-awareness as a sex therapist, this group offers the kind of focused, collegial supervision that moves your practice forward.
